

## DATA SHEET

# MYRISTOL BOOSTER

## COMPOSITION

methylsulfonylmethane • product from *Aspergillus oryzae* rich in protein • fermented soy flour (FermSoy) • glucosamine from animal tissues • vegetable oil of medium chain triglycerides • salmon oil • cornstarch pregelatinised • alfa lipoic acid • crude lecithins • sucrose • chicken collagen • freeze-dried melon juice and pulp (Melofeed®) • palm oil

### ADDITIVES/KG

*Trace elements:* zinc (zinc oxide) (3b603) 8,000 mg, copper (copper sulfate pentahydrate) (3b405) 500 mg;

*Vitamins:* vitamin C (3a300) 4,800 mg, vitamin E (3a700) 4,800 mg;

*Flavourings:* Boswellia serrata extract 10 g, olive extract 15 g, liquorice extract 50 g;

*Aminoacids:* DL-methionine (3c301) 40 g

## DOSAGE AND METHOD OF USE

**Horse (500 kg):** 1 syringe per day

## PACKAGING

50 g oral paste syringe

## DESCRIPTION

Rich blend of effective **joint** health ingredients in a horse-specific formulation.

## THE PRODUCT CONTAINS

- **MSM:** natural source of sulphur
- **Fermented soy flour:** presence of biologically active substances (peptides)
- **Glucosamine:** precursor and main component of the cartilage matrix, supports cartilage synthesis at the joint level
- **Salmon oil:** supply of omega-3 acids (EPA and DHA)
- **Alpha lipoic acid:** antioxidant action; it has the ability to regenerate other antioxidants and make them active again; it is hydro- and fat-soluble, so it can reach every part of the body
- **Native collagen:** is a fast and long-lasting support for joints, supports the health of articular cartilage
- **Boswellia serrata:** Boswellia extract is rich in boswellic acids
- **Melofeed®:** natural antioxidant complex rich in Superoxide Dismutase enzyme
- **Olive oil extract:** supply of antioxidants
- **Liquorice extract:** rich in antioxidants
