*Vitamins:* vitamin A (3a672a) 200,000 IU, vitamin E (3a700) 11,000 IU, vitamin D3 (3a671) 10,000 IU, choline chloride (3a890) 2,500 mg, folic acid (3a316) 1,740 mg, vitamin C (3a300) 1,000 mg, vitamin B1 (3a821) 1,000 mg, niacin (3a314) 1,000mg, calcium D-pantothenate (3a841) 500mg, vitamin B2 (3a825i) 360mg, vitamin B6 (3a831) 300 mg, vitamin B12 (3a835) 15 mg.

*Flavourings:* glycine (2b17034) 3,400 mg.

## DOSAGE AND METHOD OF USE

• **Horse (500 kg):** 50 g per day (1 scoop)

• **Foal/pony:** 25 g per day (half scoop)

To be mixed in with the normal daily feed.

## PACKAGING

5 kg bucket

## DESCRIPTION

**For the amino acid, vitamin and mineral balance of your horse.**

Replenish Plus contains **calcium** and **phosphorus** in a balanced ratio, as well as vitamins, minerals, trace elements and amino acids necessary for proper functioning of the body and to avoid deficiencies, especially in times of greatest need.

**Esterified sugars**, an immediately utilisable source of energy, provide support for metabolic activities.

The presence of **linseed oil** provides fatty acids (omega-3 and omega-6).

Replenish Plus is useful for:

- recovery from fatigue
- recovery of electrolyte losses
- reduction of recovery time
- energy production
